Client:	ResearchPure LLC	Accession #:	MBA260619662
	DBA ResearchPure	Search Code:	MBA-MBA260619662
	Analytical Reference Standards	Received:	06/12/2026
		Reported:	06/13/2026
Lot #:	RP-20260612-739	Batch #:	062026-ERYTH-05

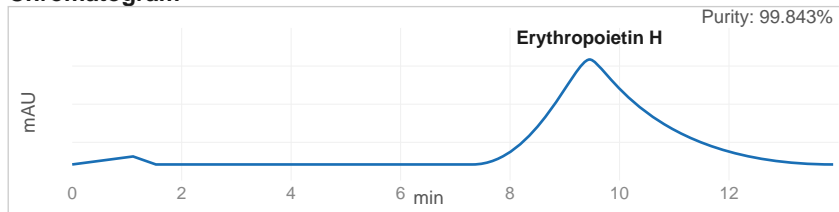

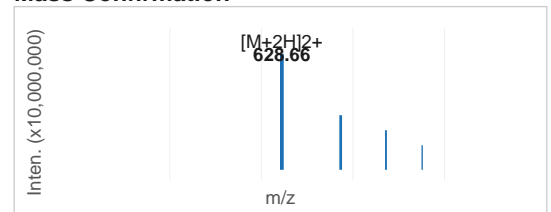

Sample Summary

Product:	Erythropoietin Helix B Surface Peptide	Purity:	99.843%
Identity:	Confirmed	Net Content:	1.99 mg
Appearance:	White Lyophilized Powder	CAS Number:	1208243-50-8
Mol. Formula:	C51H84N16O21	Mol. Weight:	1257.32 Da

All Chemical Analysis performed by HPLC-UV with Mass Spectrometry (LC-MS/MS)

Analytical Results

Test	Specification	Result
Identity (LC-MS/MS)	Confirmed by mass spectrometry	Confirmed
Purity (RP-HPLC, 214 nm)	>= 99.0% area normalization	99.843% — Pass
Net Content / Assay	>= 2 mg per label	1.99 mg

Method: Endotoxin — Limulus Amebocyte Lysate (LAL) assay per USP <85> under validated laboratory conditions.**Endotoxin Replicate 1:** Pass Assay Sensitivity: <= 0.05 EU/mL**Endotoxin Replicate 2:** Pass Assay Sensitivity: <= 0.05 EU/mL**Chromatogram****Mass Confirmation**Michael Torres, M.S.Michael Torres, M.S.

The peptide purity analysis reported here was conducted under standard laboratory conditions. This analysis is intended for informational purposes only and is specific to the sample(s) provided. These materials are intended for in vitro laboratory research use only and are not approved for human or veterinary use, diagnostic, therapeutic, or clinical applications. Results should be interpreted by qualified professionals within the scope of the intended research. Searchable via: www.MeridianBioAnalytical.com Contact: support@meridianbioanalytical.com
